PETER LANG
INTERNATIONAL ACADEMIC PUBLISHERS

Dear Reader

January 2018

Welcome to the January issue of the Peter Lang Academic Publishing Group's monthly New Publications catalogue.

We are proud to announce 49 new publications from our comprehensive lists, spanning fourteen different subject areas originating from our five international publishing locations: Bern, Brussels, Frankfurt am Main, New York and Oxford.

Each title is presented in an easy-to-view style, with complete bibliographic information for all available formats and a short pertinent description of the content.

With time to market being a key factor, this catalogue is available in an electronic format only and can be downloaded from the Peter Lang website at www.peterlang.com/page/New_Publications_Catalogues.

Best regards,

Le marché du travail

L'esprit libéral et
la revanche du politique

Aujourd'hui, le taux de croissance économique n'a cessé de s'affaiblir en dépit d'un endettement public de plus en plus élevé. L'ambition de cet ouvrage est de fournir une explication à cette inversion de tendance et à l'incapacité des décideurs politiques d'enrayer cette dégradation de la situation.

Gender and Leadership in Education

Women Achieving Against the Odds

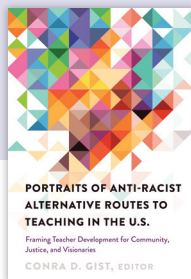

2nd Edition

Under-representation of women in leadership positions in education is a complex phenomenon. This book asks searching questions such as: Why do we accept male leaders as the norm? What barriers do women seeking leadership face? How do women leaders conceive of their role? How might women's leadership be supported at an institutional level?

Re/Assembling the Pregnant and Parenting Teenager

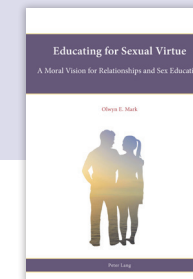

Narratives from the Field(s)

This book offers a re/assemblage of what is, can be and should be known about teenage pregnancy and parenting in the twenty-first century. It examines the narratives of young men and women in the USA, the UK, Aotearoa New Zealand and Ireland, all sites of elevated concern around what is often articulated as the 'problem' of teenage parenting.

In-Between – Liminal Spaces in Canadian Literature and Cultures

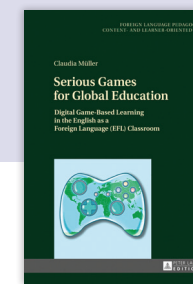

This anthology employs theories of liminality to discuss Canada's geographic and symbolic boundaries, arguing that «Canada,» as a cultural, political, and geographic entity, encapsulates elements which qualify as «liminal.» The essays deal with real and imagined borders, as well as contact zones and thresholds in Anglo- and French-Canadian texts.

Serious Games for Global Education

Digital Game-Based Learning
in the English as a Foreign Language
(EFL) Classroom

The author of this book conducted different studies to investigate the potential of serious games for global education when used in EFL classrooms. The results show a clear contribution of serious games to global education when used with EFL learners, leading to a reference model of digital game-based learning in the EFL classroom.

The Mabo Turn in Australian Fiction

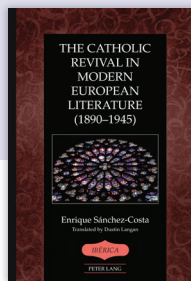

The Mabo court decision – which acknowledged indigenous people's presence in the land, in history, and in public affairs in Australia – challenged previous ways of thinking about Australian history and culture. This is the first study of the impact of this decision on Australian fiction, focusing on nineteen important contemporary novels.

Mo Yan Thought

Six Critiques of Hallucinatory Realism

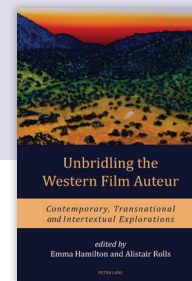

This book analyzes Mo Yan's writings as well as other scholarly interpretations of his writings. The author stakes out a Marxist approach to theorizing the class ideology that underwrites what Mo Yan says he «knows» of the «nebulous terrain» where one supposedly experiences moments of «transcending» or going «beyond» class and politics.

Unbridling the Western Film Auteur

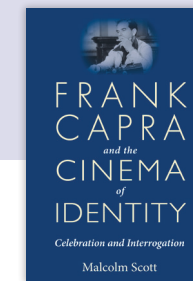

Contemporary, Transnational and Intertextual Explorations

The Western has traditionally offered American film directors a rich canvas to express visions of the American past. This volume revisits the Western in a transnational context, exploring the role of auteurism. Stars like Jimmy Stewart and international films like *Aferim!* and *Inglourious Basterds* are analysed in this new approach to the genre.

Frank Capra and the Cinema of Identity

Celebration and Interrogation

This study proposes a new definition of Frank Capra's work as a cinema of identity, focusing on his reflection on American national identity as well as his own positioning as a US immigrant. With chapters on films such as *It's a Wonderful Life*, the book offers a fresh appraisal of this celebrated director and his often problematic films.

The Stated Motivations for the Early Islamic Expansion (622–641)

A Critical Revision of Muslims'
Traditional Portrayal of the Arab
Raids and Conquests

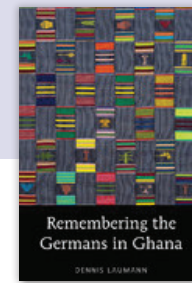

Were Muslim believers motivated by re-
ligious zeal to proclaim Islam to the non-
Muslims? Consequently, was Islam spread
by the sword? This is a question that has
crucial implications today. *The Stated Mo-
tivations for the Early Islamic Expansion*
extensively analyzes the earliest Arabic
Muslim sources to answer these and other
questions.

Remembering the Germans in Ghana

Remembering the Germans in Ghana ex-
amines the oral history of the Volta Re-
gion of Ghana, scrutinizes its sources and
presentation, contextualizes it histori-
cally, and uses it to make larger arguments
about memory and identity in Ghana.

De Condorcet à Decroly

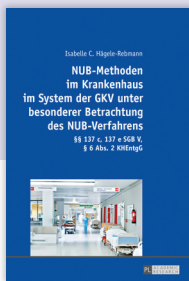

La franc-maçonnerie belge,
l'éducation et l'enseignement
(XIX^e–XX^e)

Cet ouvrage analyse les relations entre
franc-maçonnerie et éducation à partir
des archives inédites du Grand Orient
de Belgique. Il propose une réflexion
d'ensemble sur ces relations, qu'il s'agisse
des questions de la protection de l'en-
fance, de la sécularisation et de la laïci-
sation de l'enseignement ou de l'éduca-
tion nouvelle.

Pronomen, ihr Bedeutungs- und Emotionspotenzial

Individuelle Konzeptualisierungsprozesse im Lichte Langackerscher Auffassung der Grammatik

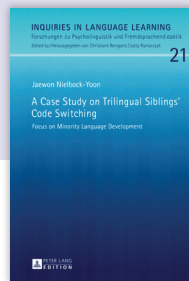

Die Autorin geht der Langackerschen Auffassung der Grammatik als Bedeutung nach und überprüft empirisch, wie sich die Bedeutungen der Pronomen in individuellen Konzeptualisierungsprozessen konkretisieren. Sie zeigt die konzeptuelle Vielfalt der Bedeutungsinhalte der Formen der Pronomen und beweist ihre individuell-subjektive emotionale Prägung.

A Case Study on Trilingual Siblings' Code Switching

Focus on Minority Language Development

This book explores simultaneous trilingual siblings' code switching behavior focusing on their minority language development combined with a thorough examination of their parent's input. The book argues code switching is an organic building block in a child's multilingual system and provides a picture of its developmental process.

Drones

Media Discourse and the Public Imagination

Drones: Media Discourse & The Public Imagination starts with a basic premise: technology shapes and is shaped by the stories we tell about it. Stories about drones – at once anxious and hopeful, fearful and awe-inspired – are emblematic of the profound ambivalence that frequently accompanies the introduction of new technologies.

Die relativistische Ethik und die neue plurale Welt

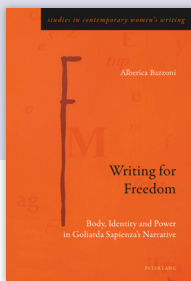

Ein Essay über die wahrscheinliche Weltordnung in der 2. Hälfte des 21. Jahrhunderts

Der Jahrtausende alte globale Politdarwinismus der stets zentralistischen Imperien oder Hegemonien neigt sich zeitlich an sein Ende. An dessen Stelle tritt allmählich der globale Pluralismus einer großen oder größeren Zahl von größeren souveränen Staaten oder von Staaten-Communities, die sich rechtlich untereinander koordinieren.

Il movimento del dono nella poesia di Eugenio Montale

Rifiutare – ricevere – ricambiare

Lo studio propone una nuova interpretazione della poesia di Montale nella prospettiva del dono, elemento che costituisce uno dei temi fulcro del moderno dibattito filosofico ed antropologico. L'analisi dell'intero corpus poetico dell'autore ligure ruota attorno alla relazione del rifiutare-ricevere-ricambiare.

Places of Food Production

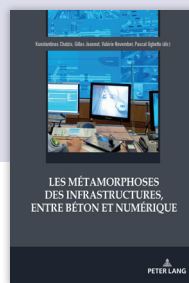

Origin, Identity, Imagination

This book analyses the interaction between food, self-conceptions and region using three thematic streams: Food and Region, Food and the Imagination, and Alienation and the Handling of Food. It reflects on important questions concerning the impact on our lives of places of food production in an increasingly industrialised and globalised world.

Les métamorphoses des infrastructures, entre béton et numérique

Alors qu'ils sont dotés de plusieurs générations d'infrastructures allant des réseaux d'eau et d'assainissement aux différentes plateformes électroniques, la plupart des pays voient leur paysage infrastructurel se métamorphoser. L'ouvrage tente d'identifier et d'analyser ces métamorphoses, leurs formes et leurs causes, dans des domaines variés.

The Pilgrimage and Conversion of Thomas Chalmers

Following His Journey
from Anstruther to Glasgow

This work follows the life and work of the first forty-three years of Thomas Chalmers (1780-1847) from the beginnings of his childhood in Anstruther to the end of his ministerial career in Glasgow in 1823. He became a theologian, minister and Scottish reformer and is best remembered for his involvement in the Disruption of 1843.
