Catherine Colomb's VISION OF TIME: in Dialogue with Marcel Proust and Virginia Woolf

This monograph draws on the Swiss French writer Catherine Colomb's modernist, avant-gardist and poetical representation of themes of central contemporary relevance including time, memory and perception. Reading her work next to Proust's and Woolf's writings and in light of the broader culture of her time make Colomb a major novelist of our age.

The Eugenic Imagination

Eugenics and Genetics in Early 21st-Century Anglo-American Fiction

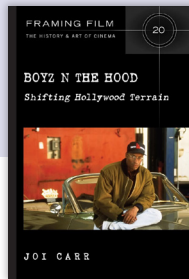

The study analyzes instances of a *eugenic* imagination in early 21st century novels. Employing categories developed by Rabinow & Rose in the context of Foucault's 'biopower,' it reveals the continuity of eugenic ideas in contemporary fiction and it as a crucial element in the literary evaluation of modern-day genetics.

Haunting the Left Bank

Mortality and Intersubjectivity in Varda, Resnais and Marker

Haunting the Left Bank identifies and explores the presence of mortality in the cinema images of filmmakers Agnès Varda, Chris Marker and Alain Resnais. The book uses a film-philosophical approach that engages with the work of Jean-Paul Sartre, Simone de Beauvoir, Emmanuel Levinas and Maurice Merleau-Ponty.

Jenseits von Entweder-Oder: Eine Betrachtung deutsch-polnischer Kulturtexte nach 1989

Im deutsch-polnischen Dialog sollte Kultur zielgerichteter genutzt werden. Kulturschaffende weisen auf Aspekte der deutsch-polnischen Beziehungen hin, die von uns nicht immer unmittelbar wahrgenommen werden. Sie präsentieren Lösungswege und zeigen uns, warum es relevant ist, aus dem eng bilateralen Kontext auszurechnen.

Erinnerungspolitische Verfälschungen in einem Buch über die Jugendbewegung

Eine frappierende wissenschaftslogische Fallanalyse

Durchgeführt wird eine wissenschaftslogische Analyse eines Buchs über die Jugendbewegung mit Methoden der linguistischen Rhetorik. Georges Pompidou, Robert Poujade et les défis de l'environnement

Le « ministère de l'impossible »

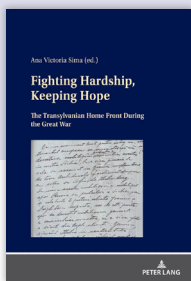

Alors que les défis environnementaux sont devenus un enjeu majeur de toute politique publique et des relations internationales, en 1971 Georges Pompidou créait le premier ministère de l'Environnement, confié à Robert Poujade. Cet ouvrage évoque celui-ci, en ouvrant de nouvelles perspectives historiographiques qui contribuent au débat public.

Steuerbefreiungen im Investmentsteuerrecht

Kritische Bestandsaufnahme und Reformempfehlung

Die Arbeit behandelt die neuen, bislang nicht erforderlichen Steuerbefreiungen im InvStG. Es wird das Zusammenspiel von Steuerpflicht und Steuerbefreiungen geprüft und ob dabei grundlegende Prinzipien des Steuerrechts berücksichtigt werden. Es werden Inkonsistenzen adressiert sowie Empfehlungen für eine Novellierung des InvStG gegeben.

Die psychiatrisch-psychotherapeutische Versorgung von geflüchteten Menschen

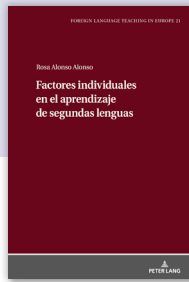

Möglichkeiten und Grenzen der Prävention

Die psychiatrisch-psychotherapeutische Versorgung von geflüchteten Menschen in Deutschland ist mangelhaft und teilweise rechtswidrig. Es gibt zahlreiche Möglichkeiten zur Prävention von psychischen Erkrankungen, die ihre psychische Gesundheit verbessern und damit positive Folgen für sie selbst, die Gesellschaft und das Gesundheitssystem haben.

The Grammar of English Infinitives with Czech Comparison

The infinitival particle *to* carries the feature *irrealis* and is one of the *irrealis* moods. Infinitives are of different sizes: control infinitive is bi-clausal, raising infinitive is mono-clausal and there are two types/sizes of ECM infinitives. Bigger infinitives are more independent and form phases that often express *irrealis*.

Geschichte der mecklenburgischen Regionalsprache seit dem Zweiten Weltkrieg

Varietätenkontakt zwischen Alteingesessenen und immigrierten Vertriebenen. Teil 2: Sprachgebrauch und Sprachwahrnehmung

Anhand von Zeitzeugeninterviews wird die Sprachgeschichte Mecklenburgs seit 1945 nachgezeichnet. Im Fokus stehen der Wandel des Sprachgebrauchs und der Sprachinstellung. Die Studie rekonstruiert die kontaktlinguistischen Prozesse zwischen dem Niederdeutschen, dem Regiolekt und den Herkunftsvarietäten der Vertriebenen, die nach 1945 immigrierten.

Word Order Matters

Current Issues in Syntax and Morpho-Syntax

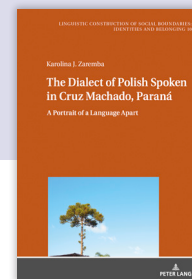

Word order and syntactic structure are intertwined. Cross-linguistically, focus, clefts and topic can be located in sentence left-periphery or elsewhere. Syntactic derivations may be freed from lexical features. Reason clauses are accountable within the theory of relativization. Gradient acceptability is a crucial tool for linguistic evaluation.

The Dialect of Polish Spoken in Cruz Machado, Paraná

A Portrait of a Language Apart

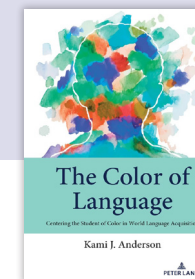

The book focuses on a dialect of Polish spoken as a heritage language in a rural community in southern Brazil. The investigation of its origins, history, and character portrays it as a result of a multilingual process with a specific starting point. The original recording data is analyzed to establish a viable baseline for future in-depth studies.

The Distance to China

Twentieth-Century Italian Travel Narratives of Patriotism, Commitment and Disillusion (1898–1985)

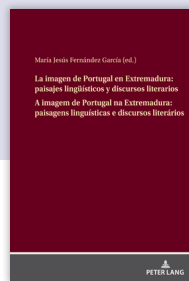

China was the destination of choice for hundreds of prominent Italian authors during the twentieth century, and their travel narratives helped to shape Italian representations of the country. This study sheds new light on how China was viewed in relation to Italian culture and how this influenced the Italian readership.

Belgien – anregend anders

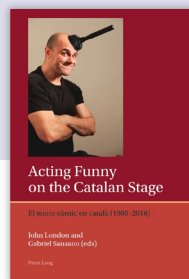

Fachwissenschaft und Fachdidaktik untersuchen die Vielfalt der Sprachen, Literaturen und Kulturen in Belgien

Vielfalt prägt den Alltag in Belgien. Es gilt, Sprachen, Kulturen und Geschichte sowie Literaturen (kritisch) zu reflektieren, um ein ‚anregend anderes‘ Land und einen wichtigen, aber eher unbekanntem Nachbarn kennen zu lernen. Fachwissenschaftlich-fachdidaktische Tandems beschäftigen sich in neun Beiträgen mit verschiedenen Themen und Medien.

Acting Funny on the Catalan Stage

El teatre còmic en català (1900–2016)

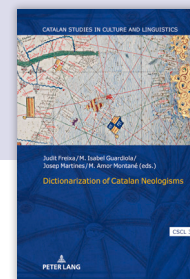

This volume is the first concentrated attempt to analyse Catalan theatre under the comic lens, including the study of comic form, performative innovations and socio-political function. It includes theatre from several regions where Catalan is spoken and makes a strong case for the contribution Catalan makes to European culture.

The Theatre of Martyrdom

Performing Piety in 1640s France

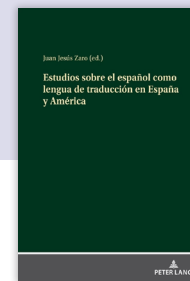

This study examines the genre of tragedy through the lens of one of its most curious manifestations: the martyr play. The author examines a broad corpus of seventeenth-century French plays including both male- and female-authored tragedy, showing that the genre should be integral to understanding tragedy in early modern France.

Estudios sobre el español como lengua de traducción en España y América

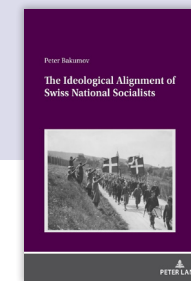

La lengua española es utilizada por casi cuatrocientos millones de personas en dos continentes. Este elevado número de usuarios y su amplitud geográfica explican la existencia de distintas variedades lingüísticas en su uso, hecho que repercute en el español utilizado como lengua de traducción.

Este libro es el resultado de un proyecto de investigación cuyo objetivo ha sido explorar de modo sincrónico y diacrónico las políticas editoriales aplicadas a la traducción literaria en España y América y su repercusión en la lengua de traducción, en este caso el español. Para ello se acotan cuatro grandes ámbitos de investigación: estudios sobre traductores y traductores, análisis y comparación de traducciones, revisión de traducciones y recurso al español neutro, e historias editoriales.

The Ideological Alignment of Swiss National Socialists

The book investigates the phenomenon of Frontism (a Swiss far-right movement) in the period between 1933 and 1945. Research has proven that Swiss Frontists attempted to mix Swiss national identity with national socialist ideology and replace the conservative right. Each version of Frontism formed by its various leaders was inherently unique.

Progress in Origen and the Origenian Tradition

Progress is a structural and systematic concept in the thought of Origen of Alexandria. The concept indicates how human beings strive towards the divine. Origen's legacy was capable of radiating its influence through Western theology and philosophy, thus shaping its idea of theological, moral, intellectual, social and political progress.
